

Name: Taimur Khan

Use the code below to answer the questions that follow:

```
1 var MIN = 1;
2 var MAX = 13;
3
4 function start(){
5     var sum = 0;
6     for(var i = MIN; i <= MAX; i++){
7         sum = sum + i;
8     }
9
10    println("The sum was " + sum);
11 }
```

1. What is the starting value of `i` in the above for loop?
2. Where is the starting value in the code above?
3. What is the maximum value of `i`?
4. Where is the maximum in the code above?
5. How are we incrementing `i`?
6. Where is this increment in the code above?

7. Complete the table calculating the value of sum for each i:

[illegible]

8. What will be printed when you run this code?
