

Name: Taimur Khan

Use the code below to answer the questions that follow:

```
1 var MIN = 1;
2 var MAX = 13;
3
4 function start(){
5     var sum = 0;
6     for(var i = MIN; i <= MAX; i++){
7         sum = sum + i;
8     }
9
10    println("The sum was " + sum);
11 }
```

1. What is the starting value of i in the above for loop?

i = 1;

2. Where is the starting value in the code above?

i = min = 1;

3. What is the maximum value of i?

i = 13

4. Where is the maximum in the code above?

i = max = 13

5. How are we incrementing i?

i++ will incrementing i by 1 each loop

6. Where is this increment in the code above?

i++

7. Complete the table calculating the value of sum for each i:

sum	i	sum = sum + i
0	1	1
1	2	3
3	3	6
6	4	10
10	5	15
15	6	21
21	7	28
28	8	36
36	9	45
45	10	55
55	11	66
66	12	78
78	13	91

8. What will be printed when you run this code?

The sum was 91
