

Name: Taimur Khan

Use the code below to answer the questions that follow:

```
1 var MIN = 1;
2 var MAX = 13;
3
4 function start(){
5     var sum = 0;
6     for(var i = MIN; i <= MAX; i++){
7         sum = sum + i;
8     }
9
10    println("The sum was " + sum);
11 }
```

1. What is the starting value of i in the above for loop?

1

2. Where is the starting value in the code above?

i = MIN

3. What is the maximum value of i?

13

4. Where is the maximum in the code above?

i <= MAX

5. How are we incrementing i?

i + 1

6. Where is this increment in the code above?

i ++

7. Complete the table calculating the value of sum for each i:

sum	i	sum = sum + i
0		1
1		2
2		3
3		4
4		5
5		6
6		7
7		8
8		9
9		10
10		11
11		12
12		13

8. What will be printed when you run this code?

The sum was 91
